ATTENTION—PRODUCT CHANGE

HS35

HS35R

Dear Valued Customer:

As you open this packaging, you will notice the new HS35R encoder is inside. The new HS35R differs dimensionally from the existing HS35. Refer to the back of this flyer for key dimensional differences.

NOTE: IF YOUR APPLICATION USES THE PROTECTIVE BASKET COVER, YOU WILL NEED A NEW BASKET. Please call customer service at 800-873-8731 with your purchase order number to get a free basket cover if one is required and not already included with the encoder.

For more detailed information or to request a new basket cover online, please visit www.dynapar.com/HS35R.

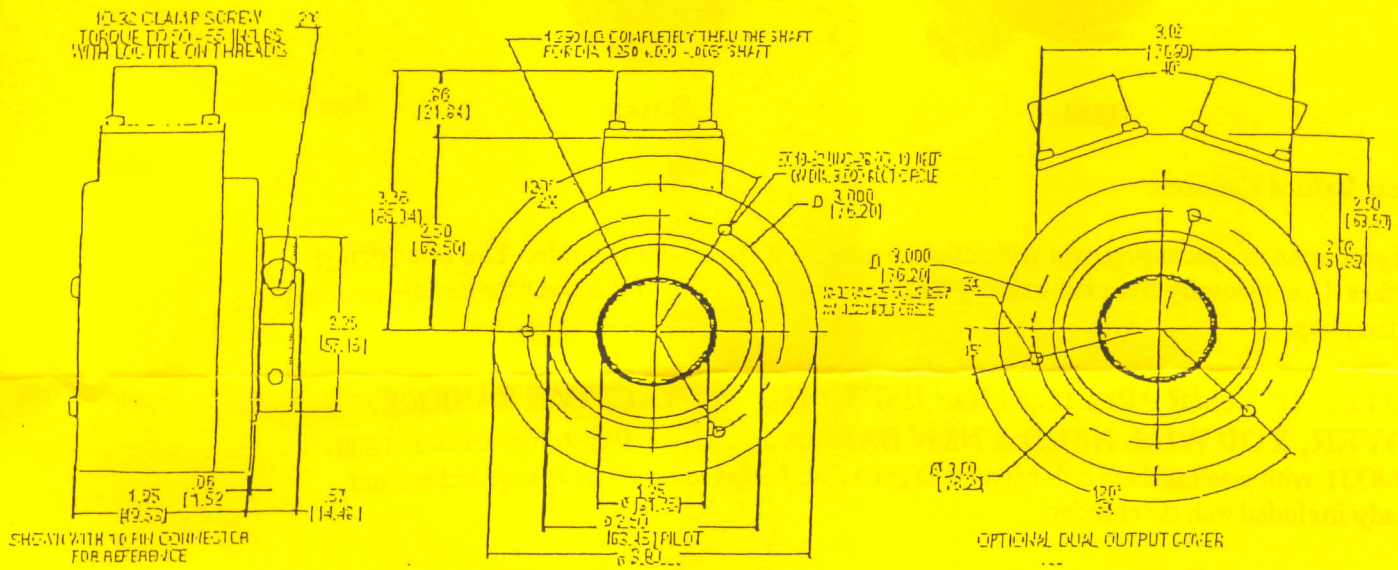

Sincerely,

Allen Chasey
Marketing Manager

DYNAPAR

Encoder Critical Dimensional Differences:

DIMENSION	HS35	HS35R	Difference
Diameter	3.54"/89.9mm	3.80"/96.52mm	.26"/6.62mm
Clamp Diameter	1.93"/49.0mm	2.25"/57.15mm	.32"/8.15mm
