

## 1127, 1128, 1129, 1130, 1131, 1132 Series Large Figure Totalizer

Very large figures (3/4") make these counters unmatched in character/figure size and easy to read at a distance. Simple, rugged, reliable base mount totalizers that even today embody the original time-tested design.

### 1127 Series - Direct Drive

Adds 10 counts for each drive shaft revolution in specified rotation. Subtracts for opposite rotation if reset knob is unobstructed.

### 1128 Series - Revolution Drive

Adds 1 count for each drive shaft revolution in specified rotation. Subtracts for opposite rotation if reset knob is unobstructed.

### 1129 Series - Ratchet Drive

Adds 1 count for each drive shaft revolution through 36 to 47 degrees arc. Max travel limited. Internal lever return spring.

### 1130 Series - Direct Drive, Non-Reset

Available as nonstock

### 1131 Series - Revolution Drive, Non-Reset

Available as nonstock

### 1132 Series - Ratchet Drive, Non-Reset

Available as nonstock

- Well defined 3/4 inch (19.0 mm) numbers
- Five decades – counts to 99,999
- Steel case and chrome on steel shaft
- Lubrication never required
- Base mounting configuration
- Easy installation
- Low maintenance
