

**Manually operated,  
4 figure counter . . .  
available as a single  
unit, or as multi-unit  
combinations**

Pushbutton actuated, base mount totalizer. Standard models are offered that integrate up to 6 units, providing a common reset. Combinations of up to 114 units are possible for special orders. Among its many industrial and commercial uses are inspection tallies, medical and scientific studies, inventory control, traffic surveys, and point-of-sale records.

- Individual identification panels
- Large, positive action pushbutton adds one count per actuation
- Rugged, heavy duty construction – die cast frame and wheels
- Four black-on-white figures – counts to 9999
- Optional assemblies combine up to 114 counters
- Compact size – 40 counters fit in less than a square foot
- Common reset for entire row of counters
- Lubrication not required

The Series 1490 Vary Tally® is ruggedly constructed using die cast zinc and steel components, and will take extremely heavy use over a long service life.
