Specifying:

When ordering, be sure to specify:

1. For Miles or Kilometers: Tire size and brand; static loaded radius or revolutions per mile or kilometer.

2. For Acres: Tire or wheel size, static loaded radius or revolutions per mile and width or swath covered.

Note: Part Numbers listed are for 7-digit models. To order a 6-digit model, use the listed number substituting the number "6" as follows: **XXXXXX6-XXX**
